Amariche Zineddine

Frontend developer (reactJs , vuejs , react native)

I'm Zineddine, Frontend Developer specialized in React and Vue.js with over 4 years of experience in web and mobile development. Skilled in ReactJS, React Native, and Vue.js for building modern, high-performance interfaces. Experienced in developing cross-platform mobile apps, dynamic dashboards, and interactive platforms. Autonomous, detail-oriented, with a strong sense of UI/UX design, and well-versed in agile environments.

Experinces

- **2024 - Today**
TakkiTech Company | Istanbul, Turkey.
Project Manager + mobile Developer (React Native)
I Started In This Company As A Project Manager For A New Application Related To Tourism And Entertainment, Overseeing Everything From Interface Design To Programming, And Assigning Tasks To Various Developers In The Team. I Am Still Working On The Development Of This Project To This Day.
- **2023 - 2024**
DjeelTech Company | Blida, Algeria.
Full Stack mobile Developer (React Native)
In Order To Embark On A New Experience And Enhance My Skills I Started Here In Developping Phone Applications Throught React Native. I Worked On Mac, Aiming To Develop Phone Applications And Upload Them To App Store And Play Store, So Far I Have Learned New Things And Gained Years Of Experience After My Interaction With Senior Developers Who Have Over 15 Years Of Experience In The Field.
- **2020 - 2023**
Bignova Company | Bejaia, Algeria
Full Stack Web, Mobile Developer (ReactJs, React Native)
I Stared From Here, After Completing Training On Various Programming Fundamentals; The Trial Period Began Afterward, I Secured My First Job As Developer, I Completed Numerous Projects And Gained Extensive Experience Working With The Company On More Than Twenty Projects, I Have Substansial Expertise In Project Management And Also Had Experience With New Interns Where I Trained Several New Developers .
- **2018 - 2020**
Starlight Company | Belfor Elhareach, Algeria
Mobile technology service technicians
During This Period, I Learned Mobile Phone Maintenece And Worked For Tow Years, I Mastred All The Secrets And Components Of Mobile Phones.
